Debtor. ) Date: December 3, 2010  
                ) Time: 1:45 p.m.  
                ) Room: 3020  
                ) HON. ARTHUR S. WEISSBRODT

**DEBTOR'S PREHEARING STATEMENT**

There were two objections, that of the trustee and that of the former landlord for debtor's business. The former landlord's objection has been withdrawn.

With respect to the trustee's objection, the debtor has amended the schedules to make the name of the secured creditor consistent. The debtor has provided the trustee with the 2009 individual tax return and corporate returns for 2008 and 2009. The debtor requests that the corporate tax returns be deemed to satisfy her request for a pre petition profit and loss statement which the debtor does not prepare in the ordinary course of business.
